UMCOR Urgent Relief for Flood Victims

Almost simultaneously news from Hurricane Helene and major flooding in Kathmandu Valley in Nepal covered all social media and TV outlets. Inland city of Asheville in Western North Carolina was nearly washed out by floods. Significant numbers of deaths in the Southeast of the US and Nepal together with

physical destruction of much of the infrastructure and personal homes means recovery will take years. Harris member Carole Suzui left this week, sent by the Red Cross to NC. Let us support her with our thoughts and prayers. UMCOR has begun a relief effort in the Helene damaged area and will be sending financial help to UMN in Nepal. We can add our support through UMCOR. Please write your checks out to Harris UMC and on the topic line indicate UMCOR Floods. Giving is also possible online through the Harris website: <https://harrisumc.churchcenter.com/giving/to/umcor-floods> Your generous support is needed by those in need caused by these natural disasters.

Next Sunday is **21st Sunday After Pentecost**. The scripture is Luke 10:25-37. You are invited to meditate on this reading during the week. Rev. Dr. Frances Wiebenga will be preaching.
